

PRELIMINARY ISSUE

17.07.15

DART AEROSPACE LTD

Engineering Change Notice

Date: 17/07/25	ECN #: 013																																																																															
Project No.: D350-602	Created By: K Eade																																																																															
Project Name: 350 Heli - Utility - Pod	Approved By: KE																																																																															
Description of Change: rev. C D350-602 inst. dwg } Typo on Hinge fixed rev. A D2694 } DWG rev. was <u>not</u> changed AMS- D350-602 - revised to rev. B																																																																																
Notification/Acceptance	Affected <input checked="" type="checkbox"/>	Authorization																																																																														
QA	<input checked="" type="checkbox"/>	} TSR A414																																																																														
Production	<input checked="" type="checkbox"/>																																																																															
Planning	<input checked="" type="checkbox"/>																																																																															
Marketing	<input checked="" type="checkbox"/>

Engineering Actions	Yes	No	Responsible	To happen by:	Complete																																																																											
Revise Blue File	<input checked="" type="checkbox"/>		KE	17/07/25	17/07/25 KE																																																																											
Revise Pink File	<input checked="" type="checkbox"/>		KE	"	" KE																																																																											
Revise D-Part Master Binder	<input checked="" type="checkbox"/>		KE	"	" KE																																																																											
Update Grey Project Binder	<input checked="" type="checkbox"/>		KE	"	" KE																																																																											
Notify TCA of Change	<input checked="" type="checkbox"/>		KE	17/08/01	17/07/31 KE																																																																											
Notify FAA of Change	<input checked="" type="checkbox"/>		KE	"	17/07/31 KE																																																																											
Update DED Binder		<input checked="" type="checkbox"/>																																																																														
Master Doc List	<input checked="" type="checkbox"/>		KE	17/07/25	17/07/25 KE																																																																											
<table border="1"> <thead> <tr> <th>Non-Engineering Actions</th> <th>Yes</th> <th>No</th> <th>Production</th> <th>QA</th> <th>Complete</th> </tr> </thead> <tbody> <tr> <td>Stock Parts:</td> <td></td> <td></td> <td></td> <td></td> <td></td> </tr> <tr> <td>Re-work current stock</td> <td></td> <td>N/A</td> <td></td> <td></td> <td></td> </tr> <tr> <td>Scrap current stock</td> <td></td> <td>N/A</td> <td></td> <td></td> <td></td> </tr> <tr> <td>Production Parts:</td> <td></td> <td></td> <td></td> <td></td> <td></td> </tr> <tr> <td>Re-work current production</td> <td></td> <td>N/A</td> <td></td> <td></td> <td></td> </tr> <tr> <td>Scrap current production</td> <td></td> <td>N/A</td> <td></td> <td></td> <td></td> </tr> <tr> <td>Shipped Parts:</td> <td></td> <td></td> <td></td> <td></td> <td></td> </tr> <tr> <td>Notify previous customers</td> <td></td> <td><input checked="" type="checkbox"/></td> <td></td> <td></td> <td></td> </tr> <tr> <td>Future Parts:</td> <td></td> <td></td> <td></td> <td></td> <td></td> </tr> <tr> <td>Change future production</td> <td></td> <td>N/A</td> <td></td> <td></td> <td></td> </tr> <tr> <td>Update IPP</td> <td><input checked="" type="checkbox"/></td> <td></td> <td></td> <td></td> <td></td> </tr> <tr> <td>Change Paperwork for kits in stock</td> <td><input checked="" type="checkbox"/></td> <td></td> <td></td> <td></td> <td></td> </tr> </tbody> </table>			Non-Engineering Actions	Yes	No	Production	QA	Complete	Stock Parts:						Re-work current stock		N/A				Scrap current stock		N/A				Production Parts:						Re-work current production		N/A				Scrap current production		N/A				Shipped Parts:						Notify previous customers		<input checked="" type="checkbox"/>				Future Parts:						Change future production		N/A				Update IPP	<input checked="" type="checkbox"/>					Change Paperwork for kits in stock	<input checked="" type="checkbox"/>				
Non-Engineering Actions	Yes	No	Production	QA	Complete																																																																											
Stock Parts:																																																																																
Re-work current stock		N/A																																																																														
Scrap current stock		N/A																																																																														
Production Parts:																																																																																
Re-work current production		N/A																																																																														
Scrap current production		N/A																																																																														
Shipped Parts:																																																																																
Notify previous customers		<input checked="" type="checkbox"/>																																																																														
Future Parts:																																																																																
Change future production		N/A																																																																														
Update IPP	<input checked="" type="checkbox"/>																																																																															
Change Paperwork for kits in stock	<input checked="" type="checkbox"/>																																																																															
Notes: MKTG: Pink file is O.K. now PLANNING: OK to order hinge.
